Education

1 High School Diploma in Natural Sciences Xhevdet Doda, Prishtinë September 2019 — June 2021 Earned a High School Diploma in Natural Sciences, with a focus on mathematics, technology, and natural sciences, developing analytical and problem-solving skills.	2 Bachelor of Computer Science and Engineering UBT, Prishtinë October 2021 — October 2024 I proudly graduated as the first student of my generation with a Bachelor's in Computer Science and Engineering, specializing in Software Systems Engineering. Now I'm eager to build complex software solutions.	3 Web Application Developer Beetroot, Prishtinë January 2026 — March 2024 I completed a Web Application Developer program at Beetroot, where I gained hands-on experience in building robust web applications. I'm excited to develop impactful projects.
